Name of Dog: _____ Date of Application: _____

Please note: Applicants must call back after 24 hours to activate the application.

If there is no correspondence to the shelter within 48 hours of filling out the application, the application becomes void.

We do not adopt to individuals under the age of 21.

If you are pregnant, please consider the possibility of allergies developing in your newborn BEFORE adopting a pet.

All Dogs are capable of aggression, and every dog is a potential biter. We cannot guarantee the absence of aggression.

Viruses are a fact of life for all animals, often exacerbated in a shelter. While we take every precaution that only healthy animals are placed for adoption, there may be medical circumstances that were not detectable while the animal was in our care. Humane Society Yukon is unable to be financially responsible for any animal once they have been adopted. If your animal becomes sick immediately after the adoption, the legal custodian may return the animal to the Humane Society Yukon for a full refund of adoption fees within 14 days of adoption. Humane Society Yukon will not be responsible for any veterinary costs.

Photo ID is required by the Humane Society Yukon to process adoptions.

This application is not a test, and there are no wrong answers. We are only trying to find the most suitable, caring and permanent homes for the animals in our care and the most appropriate and compatible pets for adopters and their families.
